Dear Colleagues,

We are glad to confirm that, according to the number of people who communicated their interest in taking part in person to the next IX EurAac Symposium, the meeting will be held in Bari from 12th to 15th July 2022 (4 days instead of 5). On-site participation only is considered. Moreover, we decided to postpone the deadline for the early registration to 30th April 2022.

We thank you all in advance for your understanding and look forward to meeting you again in Bari.
